

OUR MISSION STATEMENT

Kids of the Kingdom Preschool
in partnership with
Lord of Life Lutheran Church
will serve the families of KOK in the same
manner Christ has
loved and served all people.
“Train up a child in the way he
should go, and when he is old,
he will not depart from it.”
Proverbs 22:6

OUR PHILOSOPHY

Believing that the first five years of a child's life are crucial to his/her development, we realize that a positive preschool experience sets the tone for years to come. We will provide a wholesome, nurturing environment that will meet the needs of each child's spiritual, social, emotional, cognitive and physical growth. We are dedicated to promoting the development of the whole child, as we encourage positive self-esteem and individuality, while fostering respect for others and the world around us.

OUR PROGRAM

Kids of the Kingdom Preschool will provide opportunities for your child to explore, wonder, question, create and play while engaging in age appropriate learning activities.

Kids of the Kingdom utilizes a theme/literature based curriculum that is reinforced in various learning centers. These centers include art, blocks, manipulatives, housekeeping, reading, writing and science.

Children at Kids of the Kingdom are placed into classes based on their age as of September 1st. Kids of the Kingdom Preschool admits students of any race, color, religion, and national origin.

Michelle McGuire, Director

OUR STAFF

Our teachers are hired for their love of children as well as their experience and training in early childhood education. All of our staff keep up to date on current ideas and teaching techniques by attending at least 24 hours of training sessions each year. Every staff member is certified in CPR and First Aid Training.

PARENT INVOLVEMENT

Kids of the Kingdom Preschool has an “Open Door” policy and encourages parents to become actively involved in their child’s preschool experience. We will work with you to encourage the educational and social development of your preschooler.

You are invited to volunteer at many of our special events, such as our Fall Festival, Christmas celebrations, Snow Slide event, Petting Zoo, Road Rally, Spring Fling, and Spring Music Production.

OUR ENRICHMENT

Kids of the Kingdom children enjoy music and science class once a week. Also included is a physical fitness/motor movement class appropriate for each age group.

OUR CHAPEL

Our Christian ministry will plant the gospel in the hearts and minds of the children at KOK, so that they might know the love God has for them in Christ Jesus. To accomplish this goal we have weekly chapel times as well as Bible lessons and daily prayers.

During chapel time we sing fun praise songs, listen to Bible stories, and learn to pray. It is a time where we gather and share God’s love with one another.

TODDLER’S & TWO’S

We provide comforting and safe routines, small class sizes and loving teachers in an effort to help your little one adjust to being part of a group, gain independence and learn new skills. Developmentally appropriate activities provide opportunities for exploration through play.

Class Ratio:

Toddlers: 1:4 or 2:6

Twos: 1:5 or 2:10/11

THREE’S & FOURS

Our classrooms are full of activities that create a stimulating environment for these active learners. We encourage development in all of the important areas through a variety of hands on learning experiences, especially cooperative play and working together. We work on language, pre-reading, and writing skills. They are lots of opportunities to incorporate pre-math skills into daily routines that are both meaningful and fun. We utilize “Handwriting Without Tears” and “Get Set for School” curriculum.

Class Ratio:

Threes: 1:6 or 2:12/13

Fours: 1:7 or 2:14/15
